IMPORTANT ADDITIONAL INFORMATION TO SAFEGUARDING AND GDPR POLICIES

Thank you to the team of people who have been working hard in setting up and executing the livestream video weekly. Obviously, with Safeguarding and GDPR in mind, we need to ensure that everyone is happy and consents to appearing in the recorded video and/or livestreamed video of our services at Amersham Free Church.

With this in mind, please:

- Let Amela Munro, Church Secretary, or any of the Elders, know if you are not comfortable appearing in the recorded video and/or livestreamed video of our services.
- We have created an image free area at the back of the church for those who do not wish to be visible in the recorded /livestreamed video.
- Elders/Stewards who are welcoming at the door at our services will ensure that newcomers/visitors are informed that recorded video and/or livestream video of the service will take place and highlight the location of the image free area at the back of the church.
- For parents/carers/those responsible for children attending our services, please note the above. Please inform the Junior Church Leaders or Amela Munro, Church Secretary, if you do not wish your child/children to be visible in any service where they will be video recorded and will be visible (either rear and/or front view).
- For parents/carers/those responsible for children attending our services, if you wish for your child/children to attend Junior Church but not be visible in recorded video and/or livestream video of our services, please note it is your responsibility to ensure that the child/children sit in the designated seats in the image free area at the back of the church for the duration of the time they are present within the church during the service.

Please note that all services (recorded video and/or livestreamed video) are accessible via the Amersham Free Church website:
